Impression noun
 A feeling, thought or opinion about someone/thing, or that someone/thing leaves you with^[1]
 1. Author, The. "The Dictionary of the Author's Half-Remembered Definition of Words", edited (mildly) by The Author, 1st ed., vol. 1, The act of copulation, 20**, pp. unknown

im-
 pres-
 sion
 The effect of an object left upon a surface^[2]
 2. Author, The. "The Dictionary of the Author's Half-Remembered Definition of Words" pp. still unknown

'Rose's father left a bad first *impression* on his future son-in-law.'

Impressions
 A page entirely devoted to art for the sake of art. This page is created by UW students and serves as a speaker's corner for the school's creators.*

* provided of course, that the students agree to art for art's sake
 *The author will also like to acknowledge that the use of dictionary definition to lend an air of academic respectability is an overplayed trope
 *But most of all the author really, really hopes this works, fingers crossed
